Located in a secluded area of Hyderabad, the 500 acre Leonia Holistic Resort is no small feat. A world of facilities are available in the resort, which recently opened its doors for guests. Be it for business or leisure, the resort will not disappoint anyone with its soothing earthy interiors and its lush green outdoors.

Moving around the resort, one can feel the tranquility seeping in. Fascinating water bodies of all sizes have been cleverly used around the resort. The resort has six Celestia suites and 64 Cascade rooms. Each room has a small courtyard consisting of artificial waterfall and a shower area. Special emphasis has been given to lighting and apt usage of space.

The large pool in front of the LeoJuventa Spa sets the mood. It consists of a gymnasium, aesthetician's room, beauty salon, kids' salon and 45 treatment rooms among other facilities. The treatment rooms have been named after flowers like rosemary, lavender, and so on. The soft and dim lighting in the treatment rooms help you relax and regain the balance between your mind, body and soul. The Spa uses authentic Moor, U'R and Tact products which are from Kerala, Thailand, Greece and UK. While you relax in the beautiful ambience of the spa, the trained therapists ensure that you are comfortable and get the best treatment done.

Water based spa treatments too have been incorporated in the spa menu. So, one can opt for authentic hammams that comprises of four temperature regulated pools and body zone pressurised jets, aqua gym, aqua aerobics, sauna Italia, Vichy showers and Scottish showers. The spa menu has the right mix of spa therapies and medispa sessions. Apart from Ayurvedic and Naturopathy therapies, the spa offers specialised treatments like Suzi therapies, chromotherapy, thermal contrasting, laser treatments, aesthetic medicine, cosmetic dentistry and physical medicine.

The Ayurvedic Centre offers Shirodhara, Panchkarma and Aromatherapy among other foot, hand, face and body massages. Their team of consultants, doctors and researchers ensure that you are getting the correct treatment. Truly a holistic spa!

Leonia Holistic Resorts also has Leo Conclave, a multipurpose convention centre. The state of the art technology, latest audio visual facilities and in-house video conferencing make holidaying easier for those who want to be in tune with work always. The Leo Afterglow serves an exclusive collection of single malt whiskies, cognacs and vintage ports. The Leo Vegas is the place to be, if one plans to dance through the night. The regular floorshows and theme parties make it the perfect place to enjoy with friends.

The huge size of the resort and the spa make it an ideal holiday destination in itself. The variety of activities available here will never let you have a dull moment. So indulge in the perfect setting and rejuvenate before getting back to the daily grind of life! 🌿
